Pam Perlich, Demographer, University of Utah
Steve Kroes, Utah Foundation

10 Year Plan – Education Roadmap

“Unite and Focus”

To unite the work of state entities and community stakeholders, Governor Herbert tasked his Education Excellence Commission to assist with the development of a state strategic education plan – the *Utah Education Roadmap*.

The *Roadmap* is designed to bring together the common elements of previous/current stakeholder plans, providing greater alignment as well as momentum in the work to improve educational opportunities and outcomes in Utah.

The National Conference of State Legislatures’ education plan stated, as part of four imperatives to improve education, that “individual reforms are connected and aligned as parts of a clearly planned and carefully designed comprehensive system.” We agree. We must **unite and focus** our efforts on what we know improves student success.

What Works?

In addition to reviewing and synthesizing the content of existing education plans, the Commission also received input from Utah public and higher education experts, and reviewed current research – both national and Utah-specific studies.

The findings from all of this research, review, and study produced surprisingly close alignment and consensus on “what works” to improve P-20 outcomes.

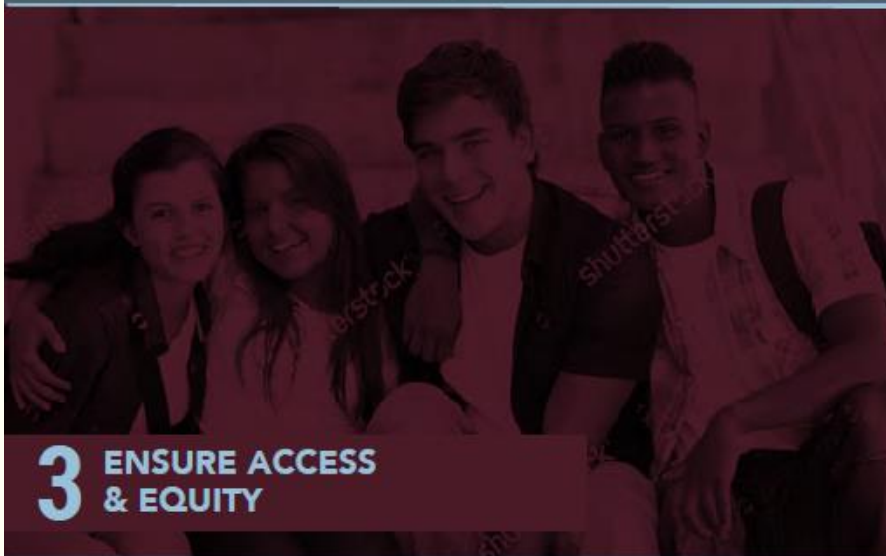

INNOVATION & COLLABORATION

1 ENSURE EARLY LEARNING

STRENGTHEN
& SUPPORT EDUCATORS **2**

3 ENSURE ACCESS
& EQUITY

COMPLETE CERTIFICATES
& DEGREES **4**

FAMILY & COMMUNITY SUPPORT

Checkpoints Along the Roadmap

DRAFT Statewide Metrics

Metrics Working Group: Chair: Steve Kroes (Utah Foundation), Alex Hume (Zion's Bank), Heidi Matthews (UEA), Superintendent Reid Newey (Davis), Associate State Superintendent Rich Nye, Brittany Cummins (State Board of Education), Sen. Ann Millner

- KEEP (Kindergarten Entry and Exit Profile)
- 4th Grade SAGE Scores (Math, Reading, Science)
- 4th Grade NAEP Scores (Math, Reading Science)
- 8th Grade SAGE Scores (Math, Reading, Science)
- 8th Grade NAEP Scores (Math, Reading, Science)
- ACT Scores
- Advanced Credits Taken (CTE, AP, concurrent enrollment)
- Graduation Rates
- Yield of awards per FTE student for postsecondary completion

Other suggestions

- *Some measure in the growth in completions compared to population growth*
- *Growth in completions in high demand career areas (SB117)*
- *Remediation rate in higher education*
- *Quality and capacity of education ecosystem (ex. measures of adequacy of resources, teacher quality and retention, standards/curriculum quality)*
